

THE VENUE

Petralonga is one of most important Palmento in the Etna Region, located midway between the volcano and Catania City. It has recently been added by local authorities in the list of regional historical and architectural treasures.

SICILIAN WINE VINTAGE JOURNEY

Are you interested in visiting one of the best preserved Palmento (Historical Winery from '700) on Etna, and taste today's best Sicilian wines, all in one stop? Then our journey may have made your day

You will discover how a Palmento worked, but also the daily life, stories, habits, and curiosities from the harvesting time.

Along with the visit, visitors will taste some of the very best contemporary Sicilian Wines, at small kiosks placed on the path.

The visit will end with a tasting of local gourmet excellences, such as hams, cheeses and bites.

Visits are offered in Italian, English and Spanish language. Tour duration is about 1 hour.
